Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive

however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the

use of this wonderful remedy. Sold by all remedy. Sold by all druggists at \$1.00 per bottle. Our little book, telling all about this liniment, will be sent free. The Bradfield Regulator Co., Atlanta, Ga.
